ABOUT ME

A detail-oriented and motivated fresher with a background in Data Science and Artificial Intelligence. I have a strong interest in data analysis and visualization, with hands-on experience in tools like Power BI and basic knowledge of SQL and Python. I enjoy interpreting data to generate meaningful insights and support decision-making. I am eager to start my career in a role where I can learn, grow, and contribute effectively.

EDUCATION

SSVMM, SPPU | 2022-2025

Bachelor of Science in Computer Science

Maharashtra vidyalaya jr college | 2021

Class 12 (HSC)

P.jog School | 2018

Class 10 (SSC)

MY PROJECT WORK

Blinkit Sales Analysis

Conducted sales data analysis to uncover patterns in customer purchasing behavior.
Developed Power BI dashboards for clear and interactive data visualization.
Identified key trends and insights to improve business performance.
Used Excel and Power BI for data analysis and visualization.
Performed data cleaning and preprocessing for accurate analysis.

SKILLS

- Data Analysis
- Data Visualization
- Data Cleaning
- Power BI
- Microsoft Excel
- Problem Solving
- SQL
- Python
